

Report of the auditor-general to the Eastern Cape provincial legislature and the council on Sarah Baartman District Municipality

Report on the consolidated and separate financial statements

Introduction

1. I have audited the consolidated and separate financial statements of the Sarah Baartman District Municipality and its municipal entity set out on pages ... to ..., which comprise the consolidated and separate statement of financial position as at 30 June 2015, the consolidated and separate statement of financial performance, statement of changes in net assets, cash flow statement and the statement of comparison of budget and actual amounts for the year then ended, as well as the notes, comprising a summary of significant accounting policies and other explanatory information.

Accounting officer's responsibility for the consolidated and separate financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these consolidated and separate financial statements in accordance with South African Standards of Generally Recognised Accounting Practice (SA standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2014 (Act No. 10 of 2014) (DoRA), and for such internal control as the accounting officer determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error.

Auditor-general's responsibility

3. My responsibility is to express an opinion on these consolidated and separate financial statements based on my audit. I conducted my audit in accordance with International Standards on Auditing. Those standards require that I comply with ethical requirements, and plan and perform the audit to obtain reasonable assurance about whether the consolidated and separate financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated and separate financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the municipality's preparation and fair presentation of the consolidated and separate financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of

accounting estimates made by management, as well as evaluating the overall presentation of the consolidated and separate financial statements.

5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

6. In my opinion, the consolidated and separate financial statements present fairly, in all material respects, the financial position of the Sarah Baartman District Municipality and its municipal entity as at 30 June 2015 and their financial performance and cash flows for the year then ended, in accordance with SA standards of GRAP and the requirements of the MFMA and DoRA.

Emphasis of matters

7. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Restatement of corresponding figures

8. As disclosed in note 28 to the consolidated and separate financial statements, the corresponding figures for 30 June 2014 have been restated as a result of an error discovered by management during the current year in the financial statements of the Sarah Baartman District Municipality at, and for the year ended, 30 June 2014.

Irregular expenditure

9. As disclosed in note 42 to the consolidated and separate financial statements, irregular expenditure amounting to R3,3 million (2013-14: R7,9 million) was incurred by the municipality during the year ended 30 June 2015 and was as a result of contraventions of the relevant supply chain prescripts. Irregular expenditure to the amount of R2,8 million was as a result of multi-year awards made in the prior years. The municipality did receive goods and services relating to these payments.

Additional matter

10. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited disclosure notes

11. In terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA. This disclosure requirement did not form part of the audit of the financial statements and accordingly I do not express an opinion thereon.

Unaudited supplementary schedules

12. The supplementary information set out on pages XX to XX does not form part of the consolidated and separate financial statements and is presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion thereon.

Report on other legal and regulatory requirements

13. In accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA) and the general notice issued in terms thereof, I have a responsibility to report findings on the reported performance information against predetermined objectives for selected development priorities presented in the annual performance report, compliance with legislation and internal control. The objective of my tests was to identify reportable findings as described under each subheading, but not to gather evidence to express assurance on these matters. Accordingly, I do not express an opinion or conclusion on these matters.

Predetermined objectives

14. I performed procedures to obtain evidence about the usefulness and reliability of the reported performance information for the following selected development priorities presented in the annual performance report of the municipality for the year ended 30 June 2015:
- Development Priority 1: Infrastructure Investment on pages xx to xx
 - Development Priority 3: Economic Development on pages xx to xx
 - Development Priority 4: Community and Social Services on page xx to xx.
15. I evaluated the reported performance information against the overall criteria of usefulness and reliability.
16. I evaluated the usefulness of the reported performance information to determine whether it was presented in accordance with the National Treasury's annual reporting principles and whether the reported performance was consistent with the planned development priorities. I further performed tests to determine whether indicators and targets were well defined, verifiable, specific, measurable, time bound and relevant, as required by the National Treasury's *Framework for managing programme performance information* (FMPPI).
17. I assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
18. I did not identify any material findings on the usefulness and reliability of the reported performance information for the selected development priorities.

Additional matter

19. Although we did not identify any material findings on the usefulness and reliability of the reported performance information for the selected development priorities, we draw attention to the following matter:

Achievement of planned targets

20. Refer to the annual performance report on pages xx to xx for information on the achievement of planned targets for the year.

Adjustment of material misstatements

21. I identified material misstatements in the annual performance report submitted for auditing on the reported performance information of infrastructure investment, economic development and community and social services. As management subsequently corrected the misstatements, I did not identify material findings on the usefulness and reliability of the reported performance information.

Compliance with legislation

22. I performed procedures to obtain evidence that the municipality had complied with applicable legislation regarding financial matters, financial management and other related matters. I did not identify any instances of material non-compliance with specific matters in key legislation, as set out in the general notice issued in terms of the PAA.

Internal control

23. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with legislation. I did not identify any significant deficiencies in internal control.

Auditor - General.
